## **OGDEN EXPANSION PROJECT**

### *Message from the President of the ICN Board of Directors*

Assalam Alikoum Brothers and Sisters

I am excited to share with you that Alhamdulillah, we have commenced the Ogden Expansion Project. Our goal InShaa Allah is to have a youth community center, larger prayer area, and as Phase One (as dictated by the City and our immediate needs), expanded parking capacity.

As you can witness by the equipment that is on the premise of the Ogden facility, we are beginning the construction for the parking lot with the goal of completing this phase in June, InShaa Allah.

Let me share with you some of the facts about the project:

- 1. Existing parking lot capacity is about 90 cars**
- 2. Ultimate parking lot capacity will be about 300 cars**
- 3. New parking lot project includes:**
  - a. A new entrance road between our building and FCA**
  - b. A new underground storm water detention facility (allowing us to reach the 300 car capacity)**
  - c. A new 210 car parking lot above the detention facility**
  - d. Complete rehabilitation of our existing, deteriorated parking lot**
  - e. All new landscaping**
  - f. All new parking lot lighting**
  - g. New north parking lot (between our building and Ogden)**
- 4. Both FCA and O'Donovan's - our neighbors, are in favor of this project.**
- 5. The project will bring us out of any code / parking violations**

**6. Construction has started and will be completed by June, 2010 Insha Allah.**

**7. We currently have \$750,000 in the bank that is allocated for this project.**

**8. Total project cost is about \$1,350,000**

**9. We need to raise \$600,000**

With this, I would like to ask for your Duaa, your support both by being patient with any inconvenience that this process might cause you (Hopefully, none will happen, Insha Allah) and secondly, by financially supporting this project.

Jazakoum Allah Khair

**Remember: ICN Annual Fundraising Dinner is on April 24, 2010**
