

Women's Committee

Bazaar

The vision of the Bazaar committee is to raise funds for ICN in a unique manner that is conducted and abides by the rules of Islam. The mission of the Bazaar committee is to hold various bazaar events that bring glimpses of diverse Muslim cultures. It will hold a market place via stalls where goods and services will be exchanged or sold. It will be a mutual cause that will benefit ICN and the community.

The bazaar committee is chaired by Sister Khalida. If you would like to join the Bazaar committee as a volunteer or have suggestions, please send us an [email](#). We will be happy to hear from you.
