

Women's Committee

Welcome Wagon

The Welcome Wagon is about giving New Muslim families who just moved into our community information of what programs are offered at ICN and an application of membership. We also have baskets full of information of our local businesses such as halal foods, doctors, schools, and much more. So if you like a visit from us or need information please email Sister Melinda Aldawud. melindaal@comcast.net. If you want to be part of our committee read more.

We call and set up a visit to meet and greet with the families (Female) and give support so that they feel welcomed. If you want to join our committee that is very fulfilling and rewarding please send Sister Melinda Aldawud an email to melindaal@comcast.net or a call (630) 556 8833.
